GLOBAL TRAINING

World of Professional Training

About Us

GT Technical & Management Institute Pvt. Ltd (Global Training) is an ISO 9001:2008 certified company in India providing Training & Consultancy Services to the Oil & Gas, Process Industries, Power Generation, Petro Chemicals, Aerospace Automobiles, Petroleum and refineries and individuals etc. We have good experience in the development and implementation of Nationalization Programs in Gulf Countries.

GT has established in 1998, by a group of well experienced people in the field of training. GT won "Indian Achievers Award for Education Excellence", "International Gold Star Award – Gold Medal", "NDT Level 4 Global Excellence Award for Best NDT Institute" and "International Achievers for Educational Excellence" for its committed quality training services.

We are actively involved in India, Oman, Qatar, UAE, Vietnam, Kuwait, Bahrain, Yemen, Singapore, Iran, Iraq, Greece, Algeria, South Africa, Kenya, Turkey, Jordan, Mozambique, Libya, Tunisia, Tanzania, Sudan, Cameroon.

GT programs have become increasingly recognized as the most effective means to enhance employee efficiency and effectiveness. GT an Institute for advanced Technology Training offers programs specially designed to individual and a company's requirements and taught by expert drawn from the industry.

Our training can even be customized to meet your unique needs! You'll receive first-class training from word-class practitioners.
