Beauty

There are many pathways on this Earth;
Some lead to the mountains...
Some lead to the Sea;
Some are quite expensive...
Some are totally free;
There are many pathways on this Earth;
This, I can know you can see.
But the only pathway I hope you take, is the pathway which leads straight to me.

LOVING MOMENTS

the moments of
CELEBRATION

I take you as my partner, my friend and my love. My hopes and dreams will now be intermingled with yours. I will seek to balance my needs with those of our community and family. I will openly draw from our combined experience and feelings in our search for truth and meaning. I will strive for harmony through compromise and understanding.
